## Truman Enterprise Narrowboat Trust

For over 40 years, the Trust has provided boat trips to those who might never otherwise experience Britain's inland waterways through personal involvement, training, team work, and lots of fun too!

Run by dedicated volunteers and their fund-raising efforts, the Trust needs all the help it can get

## **WHAT IS A T.E.N.T. FRIEND?**

A friend helps and supports - so being a Friend of the Truman Enterprise Narrowboat Trust (T.E.N.T.) means you will be helping lots of people to enjoy the pleasures of our canals, the environment, and the companionship of others.

The support you give to the Truman Enterprise Narrowboat Trust means we can keep our charges affordable for most community groups, the elderly or those with mobility problems. For some of our clients a trip on the "Walsall Enterprise" is as near to a walk in the country as they are able to get.

Many youth groups who use the "Felgate" go to great lengths to raise their own funding. By being a Friend of Truman Enterprise Narrowboat Trust you are supporting them in their efforts.

For an Annual Subscription, you will receive a Quarterly Newsletter and notices of Friend's events, like cruises, fund-raising & publicity activities and gatherings, with opportunities to experience the Trust's work & help on waterways activities.
